

NHTSA has identified four priority areas in traffic safety for current year:

- Alcohol
- Occupant Protection
- Pedestrian
- Motorcycles

Areas in which we can impact or Best Practices:

- Policy and Legislation
(ex. Alcohol BAC levels, Helmet laws, licensing)
State and local levels (State laws and regulations and local ordinances)
- Organizational Practices
(Law enforcement)
State, County and local municipalities
- Coalitions and Networks
(MADD, Safe Communities, NCMEF)
State and local
- Community and Individual Education
(NCMSEP, safety clinics)
State and local

Factors and Considerations:

- Funding
- Political
- Legal
- Willingness of participation

Need to Set Goals and Performance Measurement:

- Realistic and measurable goals
- Record keeping
- Data analysis
- Performance reporting
